

# WHAT IS KITSAP STRONG?

KITSAP STRONG IS A NETWORK OF COMMUNITY PARTNERS USING SCIENCE AND COMPASSION TO HELP ALL PEOPLE FLOURISH.

## THE GOALS

Ensuring all people in Kitsap have two or more people to call on in a time of need, feel socially/emotionally supported & hopeful about their future.

By 2025, a 10% decrease in the percentage of Kitsap residents (aged 18-34) reporting 3 or more ACEs. (2015 baseline = 37%).

By 2025, a 20% increase in the percentage of adults in Kitsap (aged 18-34) who report feeling socially & emotionally supported. (2015 baseline = 82.9%)

By 2025, a 20% increase in the percentage of children in Kitsap who report they have someone to turn to when feeling sad or hopeless about the future. (2015 Baseline = 52%)

By 2025, a 10% increase in the percentage of children in Kitsap who report they live in a home with "good" family management. (2014 Baseline = 66%)

Increase the percent of youth completing a post-secondary program to a minimum of 70% by 2030. (Kitsap and Mason County average based on the graduating class of 2007 is 27.45%)

## THE NETWORKS

### THRIVING NEIGHBORHOODS

Initiatives focused on helping neighbors form strong connections and create neighborhoods where people look out for one another and intervene to offer help when children or elders are in danger or need.

### GRADUATE KITSAP & MASON

Working to strengthen our community by reducing gaps in educational opportunity and increasing post-secondary enrollment and completion.

### H.E.A.L. (HEALTHY EATING ACTIVE LIVING)

Focused on physical health, chronic disease prevention, active living and exploring the role policies, systems, and environment have on our health.

### N.E.A.R. EDUCATION (NEUROSCIENCE, EPIGENETICS, ACES, RESILIENCY)

Working to provide high quality, consistent, scientifically accurate information to our community.

### INNOVATION NETWORK

Helping agencies incorporate the NEAR sciences into their work and evaluate their services through a trauma-informed, client-centered, NEAR perspective.
